

SUPERIOR MATTRESS PROTECTION

for life's "oh no!" moments

Extend the life of your mattress – no matter what happens – and safeguard your family from allergies with PROTECT-A-BED® Superior Comfort mattress protectors

We spend around a third of our day in bed, whether that is sleeping or enjoying a lie in with a cup of coffee, a snuggle with our kids and pets, or a series-filled duvet day. And that means accidents can – and do! – happen. A spilled cup of coffee, muddy paws, or a bathroom mishap...

That's why it is essential that you protect your and your family's mattresses from accidental spills and stains and ensure a safe, clean and hygienic sleep environment for your whole household, from children right through to grandparents. The solution? PROTECT-A-BED® mattress and pillow protectors.

PROTECT-A-BED® is the world's leading provider of bedding protection and

innovation and has a full range of mattress and pillow protectors for you to choose from, including our Superior Comfort mattress protector, with a cotton terry towel surface, available now at Dis-Chem.

When you choose PROTECT-A-BED® you can rest (and play) easy, knowing that your mattress will stay in prime condition and last longer, no matter what. The secret to PROTECT-A-BED®'s superior protection is our unique MIRACLE MEMBRANE®, a 100% waterproof membrane that provides a breathable, yet impenetrable barrier, between you and your mattress. That means that as well as keeping spills and stains away from your precious mattress, it also protects you from dust mites, bacteria and other nasty allergens.
