

# SUPERIOR PROTECTION *for your investment*

PROTECT-A-BED® is the world's leading provider of mattress and pillow protection and innovation and will help extend the life of your mattress.

A good quality mattress is a pricey investment, which means it's important you protect it from life's little mishaps, like spills, sweats, and bedwetting (and pets who like to cuddle up at night!). PROTECT-A-BED® mattress and pillow protectors are the discreet, secret weapon you need to ensure your mattresses stay clean, dry, and in tip-top condition, year after year.

PROTECT-A-BED® protectors have a 100% waterproof MIRACLE MEMBRANE™ that provides a breathable, yet impenetrable barrier between you and your mattress. That means that as well as keeping spills and stains away from your precious mattress, it also protects you from dust mites, bacteria, and other nasty allergens.

PROTECT-A-BED® offers a full range of mattress and pillow protectors suitable for beds of all sizes so you can find one that perfectly matches your needs and your budget.
